Please note: The information you have submitted will now be verified. The security checks that HM Revenue and Customs (HMRC) perform mean that in most cases it will take approximately a week for this process to be completed but sometimes it may take longer.

Once your registration has been successfully verified HMRC will contact you separately about each tax you have registered for. This will be by post except for most VAT applications which will use the customer communications service. You can access customer communications from the 'Your HMRC services' page.

Important message about VAT - you should check if your business is required to sign up for Making Tax Digital for VAT

VAT communications relating to Transfers of a Going Concern or Changes of Legal Entity will be sent by post.

If you feel you need support or have questions to ask about specific topics, we recommend that you attend one of our live webinars. Follow the links below for more information and a list of the topics covered:

Further information

From the 2015 to 2016 tax year, Class 2 National Insurance contributions are collected through your Self Assessment Return and form part of the balancing charge that is due for payment by 31 January following the end of the tax year. For more information about paying Class 2 National Insurance contributions voluntarily if your profits are low, go to Voluntary National Insurance.

If you work as a subcontractor under the Construction Industry Scheme (CIS) you must register with HMRC before you start working.

If you are starting up in business and need more information follow the link Setting up.
